

WELCOME

TO ST. THOMAS EPISCOPAL CHURCH

Welcome to this joyful celebration of Easter Sunday. Whether you are joining us for the first time or are a longtime member of this community, we are grateful you are here. Easter is the heart of the Christian faith—the day we celebrate Christ’s resurrection, God’s victory over sin and death, and the promise of new life for all creation.

In this sacred season, we are reminded of the new life and hope that the resurrection brings. As the sun rises in the east, it brings light into darkness and marks the beginning of a new day—just as Christ’s resurrection brings light into our world and into our lives. In the Resurrection, we witness not only new life, but life transformed, renewed, and made whole through God’s love. This is the heart of our Easter faith: that even in the face of sorrow, loss, and death, God is always at work bringing forth new beginnings. In Christ’s rising, we are given hope—a hope that is steadfast, life-giving, and everlasting.

The Resurrection of our Lord Jesus Christ: Easter Sunday

APRIL 5, 2026
AT 9AM AND 11AM

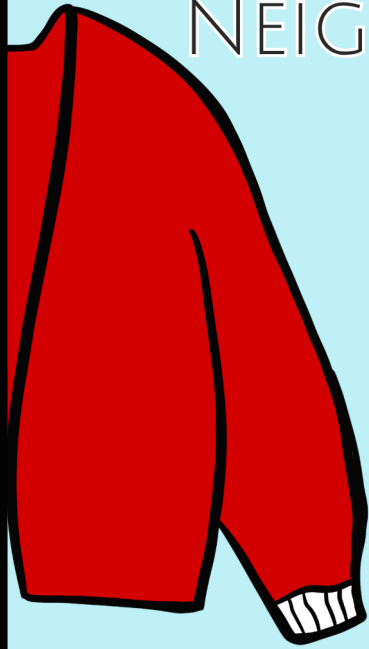

Happy Easter! St. Thomas is a community seeking God’s presence in every part of our lives. We come together to experience God’s presence in worship. We share our lives with one another in authentic community. We are sent out to serve our friends, our neighbors, and the world because God has first served us.

We are glad you are here!
