

# CHRISTMAS GIVING TREE

This year, St. Thomas is partnering with KidVantage (formerly Eastside Baby) to help spread Christmas cheer to families in our community.

Tags will be for children's clothing, gifts for Christmas or gift cards that will be used to provide food and essentials for families.

The Giving Tree will be located inside the Great Hall with gift tags before and after each service.

Select a gift tag from the tree, sign up, purchase your new gift or gift card and return the tag with the unwrapped item by 12/7. During the week you can return your item to a box outside of Lisalynn's office.

With your support, these families will be able to celebrate Christmas with presents under the tree and a warm meal to share.
